WORK EXPERIENCE

Freelancer
(Web Development, Graphic Designer
Video Editor), 2023-2024

I provided freelance services for a variety of clients, successfully delivering projects on time. During this period, I developed strong communication and time-management skills while catering to diverse client requirements.

**Customer Service Representative
(CSR) 2023**

At MCS Digitizing, I worked 3 months as a CSR where I honed my communication skills, handled customer inquiries, and provided solutions in a fast-paced environment. This experience strengthened my ability to work under pressure and manage client relationships effectively.

**Retailer – Jazz Franchise
2022-2023**

I worked 4 Months As a retailer at Jazz Franchise, I was responsible for managing sales, assisting customers with their mobile network-related queries, and handling transactions. This role enhanced my problem-solving skills and gave me hands-on experience with customer interaction.
